If any Share is issued on terms providing that it shall rank for Dividend as from a particular date, that Share shall rank for Dividend accordingly.
- 34.5 Subject to the Statute, the Articles and the Applicable Public Company Rules, the Directors may deduct from any Dividend or distribution payable to any Member all sums of money (if any) then payable by him to the Company on any account.
- 34.6 Subject to the Statute, the Articles and the Applicable Public Company Rules, the Directors may, after obtaining an Ordinary Resolution, declare that any distribution other than a Dividend be paid wholly or partly by the distribution of specific assets and in particular of shares, debentures, or securities of any other company or in any one or more of such ways and where any difficulty arises in regard to such distribution, the Directors may settle the same as they think expedient and fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any Members upon the basis of the value so fixed in order to adjust the rights of all Members and may vest any such specific assets in trustees as may seem expedient to the Directors.
- 34.7 Any Dividend, distribution, interest or other monies payable in cash in respect of Shares may be paid by wire transfer to the holder or by cheque or receipt sent through the post directed to the registered address of the holder. Every such cheque or receipt shall be made payable to the order of the person to whom it is sent.
- 34.8 No Dividend or distribution shall bear interest against the Company.
- 34.9 Subject to the Statute, the Articles and the Applicable Public Company Rules, any Dividend which cannot be paid to a Member and/or which remains unclaimed after six months from the date of declaration of such Dividend may, in the discretion of the Directors, be paid into a separate account in the Company's name, provided that the Company shall not be constituted as a trustee in respect of that account and the Dividend shall remain as a debt due to the Member. Any Dividend which remains unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and shall revert to the Company.

35 Capitalisation

Subject to Article 14.2(d), the Directors may capitalise any sum standing to the credit of any of the Company's reserve accounts (including share premium account and capital redemption reserve fund) or any sum standing to the credit of profit and loss account or otherwise available for distribution and to appropriate such sum to Members in the proportions in which such sum would have been divisible amongst them had the same been a distribution of profits by way of Dividend

and to apply such sum on their behalf in paying up in full unissued Shares for allotment and distribution credited as fully paid-up to and amongst them in the proportion aforesaid. In such event the Directors shall do all acts and things required to give effect to such capitalisation, with full power to the Directors to make such provisions as they think fit such that Shares shall not become distributable in fractions (including provisions whereby the benefit of fractional entitlements accrue to the Company rather than to the Members concerned). The Directors may authorise any person to enter on behalf of all of the Members interested into an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

36 Tender Offer

After the receipt of the copy of a tender offer application form, the prospectus and relevant documents by the Company or its litigation or non-litigation agent appointed, the board of the Directors shall proceed with the process of the tender offer subject to the Applicable Public Company Rules.

37 Books of Account

- 37.1 The Directors shall cause proper books of account to be kept with respect to all sums of money received and expended by the Company and the matters in respect of which the receipt or expenditure takes place, all sales and purchases of goods by the Company and the assets and liabilities of the Company. - 37.3 The Directors may from time to time cause to be prepared and to be laid before the Company in general meeting profit and loss accounts, balance sheets, group accounts (if any) and such other reports and accounts as may be required by the Statute, the Articles and the Applicable Public Company Rules.
- 37.4 Subject to applicable law, after the Company becomes a public company, minutes and written records of all meetings of Directors, any committees of Directors, and any general meeting shall be made in the Chinese language, and the English translation may be attached. In the event of any inconsistency between the Chinese language version and the relevant English translation, the Chinese language version shall prevail, except in the case where a resolution is required to be filed with the Registrar of Companies of Cayman Islands, in which case the English language version shall prevail.
- 37.5 Subject to the Statute, the instruments of proxy, documents, forms/statements and information in electronic media prepared in accordance with the Articles and relevant rules and regulations shall be kept for at least one year. However, if a Member initiates a lawsuit with respect to such

instruments of proxy, documents, forms/statements and/or information mentioned herein, they shall be kept until the conclusion of the litigation if longer than one year.

38 Notices

- 38.1 Notices shall be in writing and may be given by the Company to any Member either personally or by sending it by courier, post, cable, telex, or e-mail to him or to his address as shown in the Register of Members (or where the notice is given by e-mail by sending it to the e-mail address provided by such Member). Any notice, if posted from one country to another, is to be sent by airmail.
- 38.2 Where a notice is sent by courier, service of the notice shall be deemed to be effected by delivery of the notice to a courier company, and shall be deemed to have been received on the third day (not including Saturdays or Sundays or public holidays) following the day on which the notice was delivered to the courier. Where a notice is sent by cable, or telex, service of the notice shall be deemed to be effected by properly addressing and sending such notice and shall be deemed to have been received on the same day that it was transmitted. Where a notice is given by e-mail service shall be deemed to be effected by transmitting the e-mail to the e-mail address provided by the intended recipient and shall be deemed to have been received on the same day that it was sent, and it shall not be necessary for the receipt of the e-mail to be acknowledged by the recipient.
- 38.3 A notice may be given by the Company to the person or persons which the Company has been advised are entitled to a Share or Shares in consequence of the death or bankruptcy of a Member in the same manner as other notices which are required to be given under the Articles and shall be addressed to them by name, or by the title of representatives of the deceased, or trustee of the bankrupt, or by any like description at the address supplied for that purpose by the persons claiming to be so entitled, or at the option of the Company by giving the notice in any manner in which the same might have been given if the death or bankruptcy had not occurred.

39 Winding Up

- 39.1 If the Company shall be wound up, and the assets available for distribution amongst the Members shall be insufficient to repay the whole of the share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the number of the Shares held by them. If in a winding up the assets available for distribution amongst the Members shall be more than sufficient to repay the whole of the share capital at the commencement of the winding up, the surplus shall be distributed amongst the Members in proportion to the number of the Shares held by them at the commencement of the winding

up subject to a deduction from those Shares in respect of which there are monies due, of all monies payable to the Company. This Article is without prejudice to the rights of the holders of Shares issued upon special terms and conditions.

- 39.2 If the Company shall be wound up, the liquidator may, with the sanction of a Special Resolution of the Company and any other sanction required by the Statute and in compliance with the Applicable Public Company Rules, divide amongst the Members in proportion to the number of Shares they hold the whole or any part of the assets of the Company in kind (whether they shall consist of property of the same kind or not) and may for that purpose value any assets and determine how the division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the Members as the liquidator, with the like sanction, shall think fit, but so that no Member shall be compelled to accept any asset upon which there is a liability.
